Subject: SJCA Area UXO 1 ESI Report

Team,

Just a friendly reminder that in order to meet the Team goal for the final ESI (June 30) we need concurrence on the revised draft final ASAP so we can produce the final document, distribute the document, and obtain signatures on the document. Since we are up against a tight deadline, can the signature sheet be emailed around for signature once the final document has been produced instead of mailing the signature sheet for original signatures?

Thanks,

Adrienne
