**NOTICE OF APPROVAL
CLASS 2 PERMIT MODIFICATION TO THE
STATE HAZARDOUS WASTE PERMIT FOR U.S. NAVAL AIR STATION
MEMPHIS
MILLINGTON, TENNESSEE**

The Division of Solid Waste Management, Tennessee Department of Environment and Conservation (TDEC) has approved a permittee requested modification of the hazardous waste RCRA permit (EPA I.D. Number TN2 17 002 2600) submitted by U.S. Naval Air Station Memphis, 7800 Third Avenue, Millington, TN 37763.

After due process, TDEC decided to approve the following Class 2 Permit Modifications:

1. Toxicity characteristic (TC): D018-D043.
2. Attachment 3; training course has been revised.
3. Attachment 4: Primary and Alternate emergency coordinators have changed.
4. Attachment 5: Floor plan replaced with the new drawing because office space and lab space were changed during construction.
5. Attachment 9: Updated Part A hazardous waste list to include mercury and waste pesticides and herbicides.

A copy of the permit modification is available for review at the Millington Branch Library, 4858 Navy Road, Millington, Tennessee; telephone 901-872-1585.

For further information on this permit modification action, contact: Mr. Tom Tiesler, Director; Division of Solid Waste Management; Tennessee Department of Environment and Conservation; 4th Floor, L & C Tower; 401 Church Street; Nashville, TN 37243-1535; telephone 615-532-0780.

The Tennessee Department of Environment and Conservation is committed to principles of equal opportunity, equal access, and affirmative action. Contact the Tennessee Department of Environment and Conservation EEO/AA/ADA Coordinator, 615-532-0103, for further information. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).
