

**Naval Air Station Pensacola  
Restoration Advisory Board Meeting Minutes  
October 22, 1996**

1. Call to Order:

The meeting was called to order by Navy Co-Chairperson, CDR Joe Monachino. The minutes of the 27 August 1996 meeting were reviewed. Ms. Gira Townsend replaced Mr. Jay Bassett as the Environmental Protection Agency representative.

2. RAB Member Concerns/Community Concerns

The issue of administrative support for the RAB was raised. The environmental office of Pensacola Naval Air Station has accepted responsibility for generating meeting minutes and agendas for future RAB meetings.

Ron Joyner will contact Ms. Terry Joseph of the Northwest Florida Regional Planning Council and obtain the Bay Area Resource Council mailing list.

3. Proposed Rule in Federal Register for Restoration Advisory Boards

The proposed Rule published in the Federal Register, Volume 61, Number 152 was reviewed by members of the RAB who support the rule as written. Ron Joyner will draft a letter which will be sent to the Assistant Deputy Under Secretary of the Defense (Environmental Cleanup) expressing that support.

4. Contaminate Source Survey

Henry Beiro of Ensafe Allen and Hoshall presented an updated Contaminate Source Survey map. It was reviewed with suggestions for minor improvements recommended. Mr. Beiro will produce a revised version of this map mounted on a foam backing and deliver it to the NASP environmental office for future use at public meetings.

5. Escambia County Environmental Health Department Request For Information

Ron Joyner met with Mr. Robert Merritt of the Escambia County Environmental Health Department to review investigative results obtained by Ensafe Allen and Hoshall in the Pleasant Grove ditch. Mr. Merritt thanked the RAB for its efforts in addressing the issue.

6. Progress Report Update by Bill Hill:

The field investigation for Categories 4, 6 and 7 is continuing.

NAS Pensacola is submitting a request for no further action at Site 6 which is an active landfill.

The Draft ROD for Site I will be submitted in the next few months.

Final conformation sampling results for the Chevalier Field removal actions will be submitted soon.

The Final 1997 Site Management Plan will be submitted in the upcoming weeks.

7. Other Business:

The location for the public meeting for the Site 1 Record Of Decision was discussed and it was recommended that the meeting take place somewhere other than on board Pensacola Naval Air Station. Ron Joyner will contact the Escambia County Board of Commissioners to request the use of the commission chambers for the meeting.

RAB members asked to receive copies of executive summaries of all future documents. Mr. Bill Hill agreed to supply these.

Next meeting is scheduled for 19 November 1996.

8. Adjournment:

The meeting was adjourned by consent of the members at 1900.
