Final Work Plan Addendum No. 05 for the Soil and Groundwater Sampling Operable
Unit 13 - Sites 8 and 24, Revision No. 01

Dear Bill:

CH2M HILL Constructors (CCI) is pleased to provide one copy of the above-referenced work plan. This work plan presents the SPLP soil sampling plan as well as the permanent groundwater monitoring well installation and sampling for OU-13 as discussed at the January 2003 partnering team meeting. Copies have also been sent to USEPA, FDEP, and the rest of the NAS Pensacola Partnering Team.

Please contact me at 850.939.8300, ext. 17 if you have any questions or comments regarding this material.

Sincerely,

CH2M HILL
