Pensacola, Florida**

**Date:** July 14, 2008  
**Time:** 2:07 pm - 2:36 pm  
**Meeting ID:** 3757

**Participants:**

Brian Caldwell (TtNUS)  
Greg Campbell (Navy)  
Gerry Walker (TtNUS)  
Allison Harris (EnSafe)  
Patty Whittmore (Navy)

Tracie Bolaños (FDEP)  
Greg Wifley (Ch2MHill)  
Michael Singletary (Navy)  
Yarissa Martínez (TtNUS)

**Purpose:** The purpose of the meeting was to discuss the agenda for the next partnering meeting and to give an update on the status of the action items.

**Topics discussed:**

- ✓ The next Partnering meeting will take place on September 16 & 17 on Lido Beach Resort (700 Ben Franklin Drive, Sarasota, Florida, 34236; Phone 800-441-2113). Each person should call to make reservations before August 16, 2008. Please mention group name "NAS Pensacola."
- ✓ Agenda for the Next Partnering Meeting was discussed, with the following suggestions:
  - The Risk Assessment Presentation should discuss FDEP's RBCA criteria
  - On board reviews should address the UST sites and therefore are scheduled for after lunch on the second day
- ✓ Action Items from May Meeting were discussed and updated. Progress is being made.
- ✓ Tracie Bolaños received the Gantt chart and is reviewing, it but may have additional comments.

**Action Items:**

- ✓ Depending on Mr. Fraley's comments on the ARAR's, Tracie will issue final comments. Therefore, Tracie indicated to make sure she is notified when EPA's comments are received.
- ✓ Patty indicated that Mike Singletary did not receive the draft copy of the Risk Based Closure Report for UST Site 1120 (internal to navy only). Gerry will track the document and determine the status.

**Next Meetings:**
