

Officer in Charge of Construction Marine Corps Installations East

CBR / Artillery / Civil Affairs Interim Facilities

CONTRACTOR: Daniels and Daniels Construction Co, Inc
AWARD DATE: 26 August 2008
COMPLETION DATE: 12 March 2010
CONTRACT VALUE: \$10,711,417

PROJECT DESCRIPTION:

This project was one of 20 separate bid-build construction contracts awarded to implement a USMC Commandant directive to provide interim facilities for Marine units affected by the 202k initiative, in support of the Global War on Terrorism (GWOT). It included construction of eight pre-engineered metal buildings (totaling 65,650 SF), set-up, delivery and installation of three trailers, and all incidental electrical, mechanical and site work. Interim facilities on this project support Counter Battery Radar Platoon, Artillery Battery, Civil Affairs, Motor Transportation and Supply. Permanent facilities are currently being programmed under separate unit specific MILCON Projects.
