

Officer in Charge of Construction Marine Corps Installations East

EOD Addition to Building FC292

CONTRACTOR: Military & Federal Construction Company, Inc.
AWARD DATE: 30 May 2008
COMPLETION DATE: 15 September 2009
CONTRACT VALUE: \$2,493,278

PROJECT DESCRIPTION:

This contract provided for the addition of a one-story Explosive Ordnance Disposal (EOD) Team Operations and Training Facility to Building FC292. This 7900 square-foot facility includes a classroom, locker and equipment storage areas and parking and storage lot. The Facility incorporated sustainable design features and consists of reinforced concrete masonry walls, brick veneer and a standing seam metal roof.
