Organizational Safety Climate

Organizational Safety Climate

- **It's a snapshot of your organization safety culture**
- **Strong management commitment is key and indicated by:**
 1. Esteemed status or rank of company safety officers
 2. Commitment to timely and appropriate safety training
 3. Open communication between workers and management about safety
 4. General environmental control and good housekeeping
 5. A stable workforce with low turnover and seasoned workers

Near Miss/Good Catch

- **Chugach maintaining extensive Near Miss/Good Catch Log**
 - Open communication between workers and management about safety
- **We've talked a lot about Near Misses**
- **Great Good Catches Examples**
 - Parking Area Traffic Flow
 - Congestion around Generator
 - Decayed staircase (near miss turned into a good catch)
