What's there to do when I'm not working?

Travel/Explore

- Easy travel throughout Japan by trains and buses – one of the world's best public transportation systems
- Most of mainland Japan can be reached in a day's drive
- Tokyo, Seoul, Singapore are hubs for air travel throughout Asia
- Frequent tours and trips are available through base travel agencies and MWR
- Explore uniquely Asian cultures at the source – temples, shrines, museums, castles, arts and crafts exhibits, cultural fairs, historic sites, local events…there is something to interest everyone!

Recreation

- Like the outdoors? You can golf, camp, hike, ski, snowboard, bike, run, rock climb, enjoy some of the world's most beautiful beaches, boat, kayak, scuba dive, play paintball, surf, windsurf, etc. Base Outdoor Recreation facilities offer guided trips to many of these activities, as well as providing lessons, renting, selling and repairing your gear. If you prefer indoor recreation:

Shop

- There are an amazing variety of shopping experiences…

How's the Shopping?

Commissaries and Exchanges: These vary in size, but are located at each installation, with a comprehensive selection of many of the same stateside items and foods you are used to.

In Town: Shopping runs the gamut from ultra-modern shopping complexes and malls to local markets and stands. Shopping is one of the most exciting aspects of an overseas tour! Some of the freshest fruits, vegetables, seafood and meats can be found at department stores and shops in your neighborhood. Tokyo's Akihabara shopping district is world-renowned for electronics; Singapore and Seoul are also shopping meccas.

Base Bazaars: Asian furniture and handmade crafts such as Persian carpets, artwork, clothing, and other items at reasonable prices you won't find stateside…unique items to collect during your tour and take back home with you!

Fun for the Whole Family!

Bases have fun and frequent activities for younger kids through Youth Centers and Youth Sports such as games, fairs, petting zoos, magic shows, book clubs at the library, etc. For older kids (11 and up) there are Teen Centers, skate parks and concerts, paintball courses, rock climbing, camping, etc. And for both age groups, an extensive Youth Sports program provides kids with opportunities to participate in a variety of sports throughout the year.

School trips off base also give kids the opportunity to experience Asian cultures, even as they attend American schools. And, there are always plenty of MWR-sponsored local tours and fun events for the whole family, including concerts, entertainers, theme parks, hiking, skiing, snowboarding and sledding trips, Japanese hot springs/baths, temples, castles, historical and cultural sites, and trips around Asia through base travel agencies. You may also be eligible to use free Space Available military flights.

In Korea, why not take the family to explore the Korean War National Museum in Seoul, Korean Folk Village or Cheju Island? In Singapore, the Singapore Zoo, the Night Safari Tour and Sentosa Island (where you can ride a cable car with great views of the city, play in the Fantasy Land water park, or enjoy thrills at Universal Studios Singapore) are close by.

While there are some differences betweeen MWR programs, those found on bases are very similar to the following examples from Yokosuka, Atsugi, Sasebo and Diego Garcia…

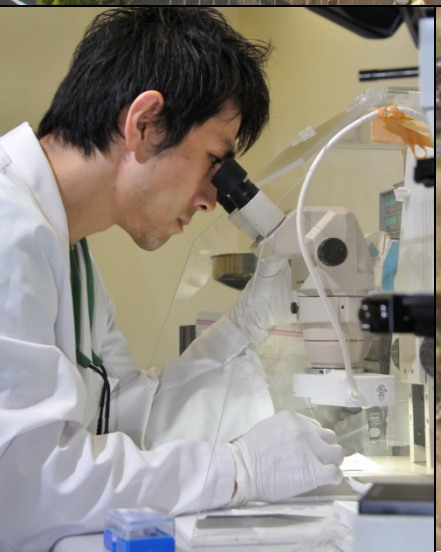
What Kind of Work Do We Do?



What Kind of Work Do We Do?

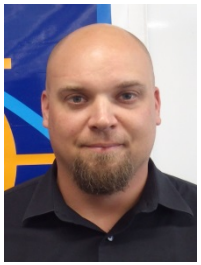
In Their Own Words...

Derance Broadnax
FM&S PLC
Yokosuka, Japan

“OCONUS duty is very different from CONUS duty in that you are co-located with the mission and can see the results of your work first-hand. This is a very rewarding experience and being able to work in tandem with our Japanese, Korean and other allies / global partners to accomplish the PACOM mission makes it even more special. This is my 2nd tour in Japan and the people here are absolutely wonderful. US civilians have a collateral role as local ambassadors and play an important role in maintaining the harmonious relationship with our Host Nations and the United States. It is truly an honor to serve and advance the US interests / mission abroad.”

Katie Stevenson
Installation Planner
PWD Yokosuka, Japan

"If you have an open mind and a desire for adventure Japan is the place to be. There is always something new to see, do, taste, or experience both on and off base. Weekend trips can be a train ride away, or a quick plane ride to a new nearby country. The work is challenging and rewarding. You will never work with people as knowledgeable, helpful, and motivated as the people here, they work hard and play hard. It is one of the best decisions I have made for my career and my family."



Joddie Adkins
BSV&E Branch Manager
PWD Sasebo, Japan

“Being in Japan offers the best of both worlds. PWD Sasebo is a great place to work and the opportunity for my family to dive into the Japanese culture is available every weekend, with events and festivals year-round. Many people ask themselves why they didn't come to Japan earlier. I know I did.

Erin Hoe
Contract Specialist
PWD Atsugi, Japan

Working in Japan has been an awesome experience. The work is fast paced and challenging. The weekends and holidays are fun-filled with eating delicious food, shopping in Tokyo/Yokohama, snowboarding , sightseeing tours, and going to spirited baseball games.”

Shane Schmidt
Supervisory Contract Specialist
PWD Singapore

“It only took a few days to realize that moving my family to Singapore was the right decision. PWD Singapore is a dynamic, multicultural office that is mission-focused to support our Sailors, Airmen and Marines. Singapore is a major logistical hub and you can reach any part of Southeast Asia in less than four hours.”
