How's the Shopping?

Commissaries and Exchanges:

These vary in size, but are located at each installation, with a comprehensive selection of many of the same stateside items and foods you are used to.

In Town: Shopping runs the gamut from ultra-modern shopping complexes and malls to local markets and stands. Shopping is one of the most exciting aspects of an overseas tour! Some of the freshest fruits, vegetables, seafood and meats can be found at department stores and shops in your neighborhood. Tokyo's Akihabara shopping district is world-renowned for electronics; Singapore and Seoul are also shopping meccas.

Base Bazaars: Asian furniture and handmade crafts such as Persian carpets, artwork, clothing, and other items at reasonable prices you won't find stateside...unique items to collect during your tour and take back home with you!

Fun for the Whole Family!

Bases have fun and frequent activities for younger kids through Youth Centers and Youth Sports such as games, fairs, petting zoos, magic shows, book clubs at the library, etc. For older kids (11 and up) there are Teen Centers, skate parks and concerts, paintball courses, rock climbing, camping, etc. And for both age groups, an extensive Youth Sports program provides kids with opportunities to participate in a variety of sports throughout the year.

School trips off base also give kids the opportunity to experience Asian cultures, even as they attend American schools. And, there are always plenty of MWR-sponsored local tours and fun events for the whole family, including concerts, entertainers, theme parks, hiking, skiing, snowboarding and sledding trips, Japanese hot springs/baths, temples, castles, historical and cultural sites, and trips around Asia through base travel agencies. You may also be eligible to use free Space Available military flights.
