

## NAVFAC Business Lines

**Asset Management-** The very foundation of the shore establishment, land and facilities, ensuring effective and efficient capacity, condition, configuration and capabilities to support comprehensive lifecycle management of real property. 202-685-9335

**Capital Improvements-** Technical practices, solutions, material and processes to support the entire lifecycle of Navy/Marine Corps facilities, while meeting operational and readiness requirements. 202-685-9170

**Contingency Engineering-** Contingency contracting, exercise and crisis planning, natural disaster support, remote construction, and technical reach-back support. 202-685-9133

**Environmental-** Encompassing all aspects of environmental stewardship—planning, compliance and cleanup, natural and cultural resource management, and restoration. 202-685-9312

**Expeditionary-** Total force support through the Navy Expeditionary Combat Command and other units ashore with procurement and fulfillment of equipment, material, technology, logistics and other resources for the warfighter. 202-685-6018

**Public Works-** Global facilities support and services for the Navy and Marine Corps through energy management, facilities maintenance, utilities privatization and consolidated services. 202-685-9232

## Acquisition Related Sites

⇒ **DoD Office of Small Business Programs:** Links to information on the basics of contracting with the DoD and other federal agencies.

<http://www.acq.osd.mil/osbp/>

⇒ **Navy Office of Small Business Programs:** Promoting acquisition opportunities where small businesses can best support the needs of our Sailors and Marines

<http://www.secnav.navy.mil/smallbusiness/pages/index.asp>

⇒ **Federal Business Opportunities (FedBizOpps):**

The U. S. Government's one-stop virtual marketplace.

Through this single point-of-entry, commercial vendors and government buyers are invited to post, search, monitor, and retrieve opportunities solicited by the entire Federal contracting community. [www.fbo.gov](http://www.fbo.gov)

⇒ **Navy Electronic Commerce Online (NECO):** The Navy's solicitations and procurement related information. Vendors interested in doing business with the Naval Facilities Engineering Command or the Navy will find procurement opportunities that exceed \$25,000.

<https://www.neco.navy.mil/>

⇒ **Small Business Administrations's SUB-Net:** SUB-Net is a listing of subcontracting solicitations and opportunities posted by large prime contractors and other non-federal agencies. <http://web.sba.gov/subnet>

⇒ **System for Award Management (SAM):** A Federal Government owned and operated free web site that consolidated the capabilities in Central Contractor Registration (CCR), Online Representations and Certifications (ORCA), and Excluded Parties List System (EPLS). Future phases of SAM will add the capabilities of other systems used in Federal procurement and awards processes. <https://www.sam.gov/index.html>

⇒ **DOD Procurement Technical Assistance Centers (PTAC):**

Local resources available at no or nominal cost that can provide assistance in marketing products and services to federal, state and local governments.

<http://www.dla.mil/SmallBusiness/Pages/ptac.aspx>

**Small Business Development Centers (SBDC):** Made up of a unique collaboration of SBA federal funds, state and local governments, and private sector resources. SBDCs provide a vast array of low cost/no cost services through professional business advisors.

### OUR MISSION

We strengthen Navy and Marine Corps combat readiness worldwide through facilities lifecycle support focused on the Fleet, Fighter, and Family. We deliver sustainable, adaptable facilities;

expeditionary capabilities; and contingency response to the Navy Expeditionary Combat Enterprise, all other Warfare and Provider Enterprises, the

Marine Corps, Unified Commanders, and DoD agencies. Our innovation, responsiveness, and agility enable a forward deployed, rotational, and surge capable Navy.

### OUR VISION

The Joint Warfighter and all supported commanders value NAVFAC for delivering mission capability whenever and wherever required.

### OUR COMMITMENT

Small businesses, including service disabled veteran-owned small business, historically underutilized business zone (HUBZone) small business, small disadvantaged business, and women-owned small business concerns, are a vital part of our economy and help keep our country the strongest in the world. NAVFAC is committed to providing the small business community with maximum opportunities to participate in our acquisition program as both prime contractors and subcontractors.
