Dear Mr. Cloe:

Our Office received correspondence on August 14, 2008 regarding the above referenced project. While we believe that an Agency's finding of **no historic properties affected** is appropriate for this undertaking, the U.S. Department of the Navy will need to submit an official determination for our review in order to complete the Section 106 process.

If you have any questions regarding this matter, please contact Miguel Bonini at (787) 721-3737 or mbonini@prshpo.gobierno.pr

Sincerely,

José Luis Vega
State Historic Preservation Officer
