AGENDA

- 1) Determine the extent of Grumman's community relations (CR) activities.
- 2) Determine the roles and responsibilities for conducting the May Public Meeting in a coordinated manner. (Including meeting logistics.)
- 3) Discuss the responsibilities for and mechanics of the pre-meeting Fact Sheet and Public Meeting announcement.
- 4) Discuss the logistics (such as contractual obligations) involved with coordinating the CR effort.
- 5) Determine how the public is to view the two sites. Specifically, should NYDEC portray the sites to the public?
