**SUBJECT: GM-38 GROUNDWATER REMEDIATION
QUARTERLY OPERATIONS REPORT
NAVAL WEAPONS INDUSTRIAL RESERVE PLANT, BETHPAGE, NY
FOR DER SITE # 1-30-003B-OU 2**

Dear Mr. Scharf:

In accordance with groundwater treatment system operational requirements for DER Site # 1-30-003B-OU 2, ECOR Federal Services, LLC. (ECOR) on behalf of the United States Department of the Navy is submitting this quarterly operations summary report for the GM-38 Groundwater Remediation System. The report summarizes operations and maintenance (O&M) activities conducted, as well as, sampling performed during the first calendar quarter 2011.

Please do not hesitate contact me with any questions regarding this letter or report at office phone # 610-840-9200 or via email at lapp@ecor-solutions.com

Sincerely,
ECOR Federal Services, LLC.
