Subject: Sampling And Analysis Plan Addendum for Site 1-NWIRP Bethpage

Dear Ms. Fly,

Tetra Tech Inc., on behalf of NAVFAC-Midlant, has submitted the Work Plan entitled "Sampling And Analysis Plan (SAP) Addendum for Site 1 Soils-NWIRP Bethpage May 2012 ." This plan has been reviewed by the NYSDEC and NYSDOH. There are no comments on this SAP and, by means of this e-mail, approve this SAP for immediate implementation.

The Standard Operating Procedures (SOPs) for Tetra Tech field work calls for appropriate Health and Safety monitoring for all intrusive work. Field work is expected to commence within the next several weeks.

If you have any questions, please contact me at your earliest convenience.
