MEMORANDUM

FOR THE MEMBERS OF THE TECHNICAL REVIEW COMMITTEE FOR THE
INSTALLATION RESTORATION PROGRAM STUDIES AT THE NAVAL WEAPONS
INDUSTRIAL RESERVE PLANT, CALVERTON, NY

Enclosed please find the Final RCRA Facility Assessment -
Sampling Visit Work Plan for your information and files. This
report outlines the field sampling plan and quality assurance
measures proposed for three areas at NWIRP Calverton. The
specific areas include:

- * Site 8 - Coal Storage Pile Area
- * Site 9 - ECM Area
- * Site 10 - Cesspool/Leach Field Areas (multiple locations).

Please note that the final report incorporates several changes as
recommended in review comments offered on the draft report. A
copy of the review comments and responses is also enclosed for
your information.

If you have any questions concerning the report or comment
responses, please contact me at (215) 595-0567.

Sincerely,

Debra L. Felton, P.E.
Remedial Project Manager
By direction of the Commanding Officer
