Subject: Slocum Creek SLERA

Corey,
NCDENR has review the Document Titled: Screening Level and Step 3A Ecological Risk Assessment in Slocum Creek Adjacent to Operable Units 1, 2, 3, 4, November 2001, and has no additional comments. This documents can be considered final. However, in the future please include Area Use Factors on the Foodchain Modeling Calculation Spreadsheets.

Thank you,

George Lane
Environmental Engineer II
