Draft Final Tier II Sampling and Analysis Plan
Groundwater Treatment Zero-Valent Iron
Permeable Reactive Barrier Pilot Study
Operable Unit 1

Dear Ms. Cowand:

The Environmental Protection Agency (EPA) has completed its review and has no additional comments of the above subject document, dated March 2012. The document outlines the site information and sampling objectives as discussed in previous held Cherry Point Partnering Meetings and presents an acceptable path forward.

If there are any questions, I can be reached at (404) 562-8538.

Sincerely,

Gena

Townsend
