Draft Expanded Site Inspection Report
Former Skeet & Trap Range #1

Dear Ms. Cowand:

The Environmental Protection Agency (EPA) has completed its review of the above subject document, dated October 2012, and has no comments. The investigation activities and data assessment conducted for the Former Skeet and Trap Range #1 were thorough and did not identify any contamination or risk to human health or the environment. Therefore, the “no further action” decision for this area is accepted by EPA and this document can be finalized.

If there are any questions, I can be reached at (404) 562-8538.

Sincerely,
Gena
