**RE: TRANSMITTAL – FINAL FOCUSED FEASIBILITY STUDY  
OPERABLE UNIT 2, SITE 10, HOT SPOT 2  
MARINE CORPS AIR STATION CHERRY POINT, NORTH CAROLINA  
CONTRACT NO. N40085-08-D-1409, CTO 0001**

Dear Mr. Williams:

Submitted herein is one bound copy and one compact disc (CD) copy of the *Final Focused Feasibility Study (FFS) for Operable Unit 2 (OU2), Site 10, Hot Spot 2, Marine Corps Air Station (MCAS) Cherry Point, North Carolina*. As noted below, a complete unbound copy and accompanying CD copy will be sent to Tetra Tech NUS, Inc. to be incorporated into Naval Installation Restoration Information Solution (NIRIS) as an Administrative Record File Document.

If you have any questions, or require additional information concerning this report, please call me at (724) 316-6593, or email at [erica@rhea.us](mailto:erica@rhea.us).

Respectfully submitted,  
*Rhēa Engineers & Consultants, Inc.*
