Dear Mr. Hamper:

On May 3, 1985, we received notice from the Environmental Protection Agency (EPA), Region V Office that "Certification Regarding Potential Release from Solid Waste Management Units" forms are to be submitted by May 24, 1985.

We request a 90 day extension of the May 24th deadline because of the size and complexity of the operations. More time is required to gather the information and complete the certification forms.

A written reply concerning this extension is requested at the earliest possible date.

NAVWPNSUPPCEN Crane point of contact is Mrs. Cathy Andrews, Code 0924, telephone FTS 336-3114 or commercial 812-854-3114.

Sincerely,

J. M. COTTINGHAM
