RE: Interim Measure
Naval Weapons Support Center
Crane, Indiana
IN5 170 023 498

Dear Commander Frey:

The United States Environmental Protection Agency (U.S. EPA) has reviewed your Newly Identified Solid Waste Management Unit report for the Abandoned Compressed Gas Cylinder site adjacent to Building 64, dated June 12, 1990. Within the report an Interim Measure removal was proposed for the gas cylinders. The U.S. EPA hereby approves the Interim Measure. The Permittee must document the removal and disposal at the demolition range and submit a detail report, describing the activity, within 45 days of the completion of the Interim Measure, to this office.

completion being demolition, which will occur - ?

If you have any questions regarding this matter, please contact Ms. Carol Witt-Smith of my staff, at (312) 886-6146 for assistance.

Sincerely,

George J. Hamper
