Dear Ms. Witt-Smith:

Naval Weapons Support Center Crane (NWSCC) requests a 90 day extension on the due date of January 7, 1990 for submission of a RFI Phase II Soils Work Plan for the Pest Control Area, Solid Waste Management Unit (SWMU) #09/05.

The request for this extension is based on the fact that development of the required sixteen step Quality Assurance Plan for this site is taking more time to develop than initially expected. This request is submitted in accordance with Section I.D. 13 on page 4 of 48 in NWSCC's Part B Permit.

NWSCC point of contact is Mr. Jim Hunsicker, Code 0924, telephone 812-854-3233.

Sincerely,

J. D. FARIS
