RE: Class I Modification Request  
Naval Weapons Support Center  
Crane, Indiana  
IN5 170 023 498

Dear Commander Hays:

The United States Environmental Protection Agency (U.S. EPA) has reviewed your Class I Modification request, dated June 24, 1991, notifying the Agency that the above-referenced facility is modifying its corrective action schedule, as per the Agency's verbal recommendations to consolidate some units together and to process the information better. The Class I modification request is hereby approved.

The Permittee must follow the procedures for notifying the public, as described in 40 CFR 270.42(a). A mailing list may be obtained from the Indiana Department of Environmental Management.

If you have any questions regarding this matter, please contact Ms. Carol Witt-Smith, at (312) 886-6146, for assistance.

Sincerely,
