MEMORANDUM

From: Installation Co-Chair
To: Restoration Advisory Board Members
Subj: RESCHEDULING THE RESTORATION ADVISORY BOARD (RAB) MEETING

Due to several scheduling conflicts, the date of the scheduled RAB meeting for Crane Division, Naval Surface Warfare Center (NAVSURFWARCENDIV Crane) has been changed. The meeting was originally planned for Tuesday, September 24, 1996, but it has been rescheduled for Tuesday, October 22, 1996 from 1200 to 1600. The meeting location is still the same, Building 3241 Conference Room B. Please note the change and be in attendance if you are able. Apologies are extended for any inconvenience this change may have caused.

An agenda will be sent about a week prior to the meeting. Your ideas and input for additional topics to the agenda would be especially welcome. Currently, the proposed agenda for the October meeting includes presentations concerning the construction and operation of the Bioremediation Facility (which may include a tour), Interim Measures work being performed at the Dye Burial Ground (SWMU 2/11), the signing of the NAVSURFWARCENDIV Crane RAB Charter, and a short video presentation -- Installation Restoration - A Navy Pledge to the Future.

Please direct questions, comments, additions to the agenda, and/or your ability or inability to attending the up coming October RAB meeting to NAVSURFWARCENDIV Crane point of contact, Ms. Christine D. Freeman, Code 09511, telephone 812-854-4423 by October 8, 1996.
