Dear Ms. Witt-Smith:

Crane Division, Naval Surface Warfare Center (NAVSURFWARCENDIV Crane) submits Confidential Business Information consisting of laboratory standard operating procedures (SOPs) as enclosure (1). These SOPs are part of a Draft Quality Assurance Project Plan that was submitted to Ms. Carol Witt-Smith under separate cover. Ms. Witt-Smith requested that this information be submitted directly to you in case of her temporary absence. Enclosure (2) is the permit required certification statement.

Enclosure (1) contains Proprietary Information and is submitted in confidence, and its disclosure to you should not be considered a public disclosure. Information contained herein may not be communicated, disclosed, copied, distributed, or used by individuals or the organization other than to which the basic letter is addressed without the express consent of Tetra Tech NUS, Inc.

NAVSURFWARCENDIV Crane point of contact is Mr. Thomas J. Brent, Code 09510, telephone 812-854-6160.

Sincerely,

Thomas J. Brent
for JAMES M. BRISSETER
Director, Environmental Protection Department
By direction of
the Commander.
