RE: Compost Backfilling
Bioremediation Facility
Naval Surface Warfare Center
Crane, Indiana

Dear Ms. Freeman:

The purpose of this letter is to follow-up in writing, on my verbal approval of March 18, 1999, concerning backfilling of treated compost at Mine Fill A. The approval allows you to spread the four remaining windrow piles at Mine Fill A. Placement will be consistent with the provisions of the approved work plan. If you have any questions regarding this matter, please contact me at (312) 886-6146.

Sincerely,

A handwritten signature in black ink, appearing to read "Carol Witt-Smith".
