Re: Letter of Approval for the

ABG, ORR, & DR

Dear Mr. Brent:

The United States Environmental Protection Agency (U.S. EPA) has reviewed the revised pages for the Field Sampling Plan (FSP) dated September, 1999, the Quality Assurance Project Plan (QAPP) dated February, 1999, and the Ground Water Monitoring Plan (GWMP) dated September, 1999, for the Ammunition Burning Grounds (ABG), Old Rifle Range (ORR), and Demolition Range (DR).

The U.S. EPA hereby approves the above mentioned documents and has enclosed the signature pages for routing. Please provide U.S. EPA with the original completed signature page for inclusion into the Subpart X permit attachments.

If you have any questions regarding this matter, please contact me at (312) 886-7890.
