Subject: Work Plan/ Field Sampling Plan Addendum for
Basewide Background Soil Investigation
Naval Surface Warfare Center Crane (NSWC Crane)
Crane, Indiana

Dear Mr. Ramanauskus,

On behalf of the Navy at Bill Gates' request, I have enclosed 3 copies of the Work Plan/ Field Sampling Plan Addendum for the Basewide Background Soil Investigation at the Naval Surface Warfare Center Crane at Crane Indiana. The aforementioned document is an addendum to the original work plan submitted by Tetra Tech NUS, Inc. in its final format in April 2000.

This work plan / field sampling plan outlines the rationale and procedure which are planned in an attempt to collect samples of specific soil types as identified in the Basewide Background Soil Investigation Report submitted in July 2000.

Also per Mr. Gates' request, I am sending copies of the aforementioned document to Mr. Gates, Mr. Tom Brent (NSWC Crane), and the Indiana Department of Environmental Management (IDEM).

If you have any questions, feel free to call me at (412) 921-8146.

Sincerely,

A handwritten signature in black ink, appearing to read 'Keith W. Henn'.

Keith W. Henn, P.G.
Task Order Manager

Enclosure

c: Bill Gates, Navy (1 copy)
~~Tom Brent, NSWC Crane (2 copies)~~
Doug Griffin, IDEM (1 copy)
Debbie Wroblewski (cover letter only)
Mark Perry/file (1 copy)
Tom Johnston (1 copy)
TtNUS NSWC Crane Library (1 copy)

PITT-09-0-012

September 6, 2000

The letter PITT-09-0-012 was submitted directly to the U.S.EPA by the contractor, TetraTech NUS, for the Draft Basewide Background Soils Investigation Work Plan and Field Sampling Plan Addendum. A Final document was submitted 10/31/00 and therefore replaced this Draft.
