In coordination and consultation with the Indiana Department of Environmental Management (IDEM) the United States Environmental Protection Agency (U.S. EPA) has developed a work sharing agreement and transition plan for RCRA Corrective Action activities at the Naval Surface Warfare Center (NSWC) – Crane Division. All parties have reviewed this document, all comments have been incorporated, and it is enclosed for your signature.

Once you have signed, please forward the document to Mr. Hak Cho at U.S. EPA. Mr. Cho's mailing address is:

A copy of the signed document will be provided by the U.S. EPA to IDEM and NSWC.
