MEMORANDUM

From: Installation Co-Chair
To: Restoration Advisory Board Members & Attendees
Subj: **RAB MEETING REMINDER**

The next Crane Division, Naval Surface Warfare Center (NSWC Crane) Community Restoration Advisory Board (RAB) meeting is scheduled for Tuesday, April 16, 2001. The meeting will take place on Center in the main dining room at the Lakeview Training and Conference Center at Crane from 1200 to 1600 hours.

RAB meetings are open to members of the public and are intended to help the general public learn how NSWC Crane is conducting environmental cleanups using proven and alternative technologies. The RAB at Crane is a forum for exchange of information and partnership among citizens of the surrounding communities with DoD and environmental oversight agencies. Most importantly, the RAB will offer an opportunity for the communities to provide input to the cleanup process. The goal is to create a dialogue between the installation and the affected communities.

The agenda for the meeting will include: status updates on current Corrective Action activities including the Explosives Contaminated Soils Bioremediation Facility. Continued discussion of the Natural Attenuation Demonstration. Updates on an assortment of workplans and fieldwork currently underway. The annual Environmental Restoration, Navy projects budget for Fiscal Year 02 will be presented and discussed. Additional ideas and input for topics or presentations are especially welcome.

Furthermore, since the meeting coincides with the afternoon meal, a working lunch has been planned. The meal will consist of a "Make Your Own Sandwich" with chips, pickle spear, and a cookie served with coffee or iced tea. The cost of the meal will be \$6.00, gratuity is included; other beverages are extra. Please make your reservation by April 8, 2002. If you make a reservation and cannot attend the luncheon, please call and cancel.

Subj: RAB MEETING REMINDER

For questions, comments, or information, please contact the NSWC Crane RAB point of contact by telephone at 812-854-4423 or e-mail at RAB@crane.navy.mil.

~~*~*~*~*~*~*~*~*

This e-mail is being sent to note the change in location for those attending the next Naval Surface Warfare Center Crane Restoration Advisory Board meeting. B-3330N, formerly B-3241, is the same location were RABs have been held previously (red trim around top of building). Directions as follows: Bloomington gate - on left prior to the first stop light; Crane gate- on right after the second stop light).

Again, attached is the invitation letter containing all pertinent information.

The NSWC Crane RAB web sites, <http://www.crane.navy.mil/General/RAB/default.htm>, can also be accessed for additional information.
