RE: Final RFI Report for SWMU 34, NSA Crane, Indiana

Dear Mr. Hickey:

Enclosed please find an electronic copy of the final Resource Conservation and Recovery Act Facility Investigation (RFI) Report for Solid Waste Management Unit (SWMU) 34, Old Gun Tub Storage Lot, at Naval Support Activity (NSA) Crane, Indiana. Because Indiana Department of Environmental Management (IDEM) approved the draft final version of the report with no comments, a full hardcopy of the final report was not prepared; instead change pages for the cover, signature page and spine dated November, 2013 are enclosed. The cover, signature page and spine of the draft final report dated November, 2013 should be replaced with the enclosures.

Please contact me at (412) 921-7160 (e-mail jennifer.buel@tetrattech.com) or the NSA Crane Activity Coordinator, Ralph Basinski at (412) 921-8308 (e-mail ralph.basinski@tetrattech.com) regarding any questions you may have regarding the report.

Sincerely,

Jennifer Buel
Project Manager
