Contract Task Order No. F27H

RE: Final RFI Report for SWMU 32, NSA Crane, Indiana

Dear Mr. Hickey:

Enclosed are the change pages that constitute the Final Resource Conservation and Recovery Act Facility Investigation (RFI) for Solid Waste Management Unit (SWMU) 32, Former Oil Tank Farm, at Naval Support Activity (NSA) Crane, Indiana. Copies of this information also have been submitted to Tom Brent.

It should be noted that the previous version of the RFI Report, dated May 2011, was prepared under Contract Task Order (CTO) F273, and revisions to the report were prepared under CTO F27H. Both CTOs were noted on the revised cover and title pages of the report; however, the header and footer portions of the remaining change pages are labeled CTO F27H.

The table below contains instructions for modifying the May 2011 RFI Report to incorporate the change pages.

Item	Instructions
Spine	Remove May 2011 spine and replace with February 2013 spine.
Cover Page	Remove May 2011 cover page and replace with February 2013 cover.
Title Page	Remove May 2011 title page and replace with February 2013 title page.
Table of Contents	Remove May 2011 pages iii through iv and replace with February 2013 pages iii through viii.
Acronyms	Remove May 2011 pages ix through xiii and replace with February 2013 pages ix through xiii.
Executive Summary	Remove May 2011 pages ES-1 through ES-5 and replace with February 2013 pages ES-1 through ES-6.

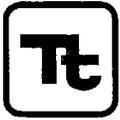

Please contact me at (412) 921-8893 (e-mail karen.lyons@tetrattech.com) regarding any questions you may have regarding the report.

Sincerely,

Karen Lyons
Project Manager
