Subject: FW: SWMU 21 Sampling Plan
Attachments: image001.png; image002.png; image003.png; SWMU 21 SAP for Delineation.pdf

Doug,

Attached is the Sampling and Analysis Plan for a third round of additional delineation sampling at SWMU 21, the DRMO Scrap Yard. Since this is a continuation of a field effort begun under the August 2010 SWMU 21 SAP and the March 2011 SWMU 21 SAP Addendum, I'm submitting this via email only. If you think a hard copy with an official Navy letter is required, let me know and I'll get one out. Please review and let us know if you have any comments or questions.

Thanks,
Tom
