SWMU 21 – DRMO Storage Lot site at NSA Crane

Dear Mr. Brent:

Attached, please find four copies of the final draft UFP-SAP for SWMU 21 – DRMO Storage Lot at NSA Crane. This document was revised in accordance with comments received from the Navy Chemist on the draft UFP-SAP. The responses to comments were approved by the Navy Chemist on July 1, 2010. This draft final also incorporates minor changes made as per Navy comments and incorporates updated SOPs from the lab (CompuChem) in Appendix B.

An electronic copy of this UFP-SAP will be provided to you by the TtRMFT site separately.

This version of the document is for review, comment, and approval by regulatory agencies. Upon receipt, Tetra Tech will address regulatory comments, incorporate them into the document, and prepare a final version of the UFP-SAP to perform the field work.
