Subject: Final Interim Measures Report for Solid Waste Management Unit (SMWU) 13 –
Mine Fill B

Dear Mr. Hickey:

Please find enclosed the final Interim Measures Report for SWMU 13 – Mine Fill B, Naval Support Activity (NSA) Crane. This report is provided in hardcopy and electronic formats.

In the hardcopy version, all appendices except Appendix H are provided in electronic portable document format (pdf) only on an accompanying compact disk (CD). Because Appendix H is referenced heavily in the report, Appendix H is also included in the hardcopy. The compact disk (CD), located inside the cover of the report, contains a complete pdf version of the document.

If you have any questions, please contact me at 412-921-8615 (tom.johnston@tetrattech.com) or Ralph Basinski at 412-921-8308 (ralph.basinski@tetrattech.com).
