Contract Task Order F272

Subject: Draft Corrective Measures Implementation Plan (CMIP)/Quality Assurance
Project Plan (QAPP) for Solid Waste Management Unit (SMWU) 7, Naval
Support Activity (NSA) Crane, Crane, Indiana

Dear Mr. Hickey:

Please find enclosed for your review a hard copy and an electronic copy of the subject CMIP/QAPP SWMU 7 – Old Rifle Range – at NSA Crane. Please note that it will be necessary to clarify the responsibilities of the Indiana Department of Environmental Management (IDEM) and United States Environmental Protection Agency Region 5 in regards to approval of the CMIP and any changes to the Corrective Action Monitoring Program. Nevertheless, any changes to their responsibilities can easily be incorporated into the next version of the document once the responsibilities are clarified.

If you have any questions, please contact me at 412-921-8615 (tom.johnston@tetrattech.com) or Ralph Basinski at 412-921-8303 (ralph.basinski@tetrattech.com).

Sincerely,

Tom Johnston
Project Manager
