INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT  
PUBLIC NOTICE OF RCRA CORRECTIVE ACTION DECISION

DATE OF NOTICE: September 30, 2016  
COMMENTS DUE: November 14, 2016

The Indiana Department of Environmental Management (IDEM) intends to issue a RCRA Corrective Action Remediation Decision for Solid Waste Management Unit 11 – Old Storage Building:

Naval Support Activity Crane  
300 Hwy 361, Crane, IN  
U. S. EPA ID Number IN5170023498

IDEM has reviewed the administrative record, and has drafted a Statement of Basis summarizing information found in the Corrective Measures Study and other documents in the administrative record. IDEM has determined that monitored natural attenuation (MNA) and long-term monitoring (LTM) of groundwater, land use controls (LUCs), and seven-year reviews are necessary for SWMU 11 to address potential future unacceptable human health risks. A copy of the Statement of Basis (VFC document #80352443) and the supporting administrative record are available for your review in the IDEM Virtual File Cabinet at: [www.vfc.idem.IN.gov](http://www.vfc.idem.IN.gov).

IDEM is providing the public an opportunity to submit written comments and/or request changes to the Statement of Basis as proposed. IDEM is particularly interested in receiving comments from persons aware of any spills or releases that may have occurred from this facility in the past. You may request that IDEM hold a public hearing about this RCRA Corrective Action Remediation Decision. At a hearing, you would have an opportunity to submit written comments, ask questions, make statements, and otherwise discuss any concerns about the Statement of Basis or the administrative record with IDEM staff. If a public hearing is held, IDEM will make a separate announcement of the date, time, and location of that hearing at least 30 days in advance.

Written comments with supporting documentation, or a written request for a public hearing, should be sent to Mr. Doug Griffin at [dgriffin@idem.IN.gov](mailto:dgriffin@idem.IN.gov) or the following address:

Indiana Department of Environmental Management  
Office of Land Quality  
Hazardous Waste Permit Section  
IGCN 1101  
100 North Senate Avenue  
Indianapolis, IN 46204

IDEM will respond to all significant comments and specify which provisions of the Statement of Basis were changed, if any. To receive a copy of the Notice of Final Decision and Response to Comments, please make a written request to the address above. Anyone who submits written comments will receive a copy of the Notice of Final Decision and Response to Comments.

If you have any questions about the Statement of Basis, administrative record, or the public participation process, please feel free to contact Mr. Doug Griffin at the OLQ address above; or at (317) 233-2710; or by e-mail at [dgriffin@idem.IN.gov](mailto:dgriffin@idem.IN.gov).
