Captain Walter M. Migrala, Jr.
Commanding Officer
United States Navy -
Naval Weapons Station Earle
Colts Neck, New Jersey 07722-5000

Re: Naval Weapons Station (NWS) Earle Interagency Agreement

Dear Captain Migrala:

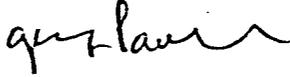

This is to advise you that, in accordance with Section XXXI (Public Comment) of the above Interagency Agreement (IAG), the U.S. Environmental Protection Agency (EPA) has not received any public comments with respect to the IAG and is therefore declaring the IAG to be effective in the form signed by the parties. In accordance with Section XXXI, this IAG will become effective as of the date of this letter.

Please note that, as required by the IAG, within twenty-one (21) days of said effective date, the U.S. Navy (Navy) is to propose schedules for the submittal of the deliverables which are specified in Section XII (Deadlines) of the IAG.

We ask that the Navy place copies of this letter declaring the IAG effective, together with the IAG itself, on file at the information repositories which the Navy is maintaining for this site.

If you have any questions concerning this matter, please contact Paul Ingrisano of my staff at (212) 264-6609.

Sincerely yours,

fw
Kathleen C. Callahan, Director
Emergency & Remedial Response Division
