Dear Mr. Hoover:

Re: Naval Weapons Station Earle (NWSE)
Colts Neck Township, Monmouth County
Site 8 Investigation

The Department of Environmental Protection and Energy (DEPE) has reviewed the site investigation report for Site 8 at the NWSE. The report is acceptable as written. The DEPE concurs with the Navy that no threat to human health or the environment appears to be present at the site. The Navy should take whatever steps are necessary to implement a no action scenario at the site.

Sincerely,

Joseph Freudenberg, Case Manager
Bureau of Federal Case Management
