Dear Mr. Aoyama:

Re: Naval Weapons Station Earle
Colts Neck Twp., Monmouth County

As requested, please find enclosed sampling results from the Mingamahone Brook taken in May 1985. The results demonstrated that NWS Earle was not acting as a source of contamination of this brook. If you have any further questions please call me at (609) 633-1455.

Sincerely,

Joseph Freudenberg, Case Manager
Bureau of Federal Case Management
