Re: Remedial Investigation (RI) Report

Dear Mr. Hoover:

The U.S. Environmental Protection Agency (EPA) has received the RI Report (§1-5), dated March 1992 and (§6-8), dated May 1, 1992. In accordance with the Interagency Agreement, the comments from EPA were due to the Department of the Navy, thirty (30) days after receipt. However, certain reviewers here at EPA were unable to complete the review of §1-5, without §6-8.

Therefore, in accordance with §XVI (Extensions) of the IAG, EPA is requesting an extension until August 7, 1992 for the submission of the comments on the RI Report.

If you have any questions concerning this matter, please contact me at (212) 264-6609.

Sincerely yours,
