Dear Mr. Marcolina:

Two copies of the Work Plan and the Health and Safety Plan for the Removal Action at Site 20 at Naval Weapons Station Earle are enclosed for your review. As discussed at the Technical Review Committee meeting on August 5, an expeditious review would be most appreciated due to our funding obligations.

If you have any further questions or need additional information, please call me at (215) 595-0567.

Sincerely,

Mr. John Kolicius
Remedial Project Manager
By direction of the Commanding Officer
