Re: NWS EARLE - DATA AUDIT ON ACETONE

Dear Mr. Ingrisano:

Raw data for sample number 10-002-M001 requested in your letter of 01 December 1993 is enclosed. Our letter of 20 April 1994 incorrectly listed sample 19-003-M001 as the missing package. This sample actually was included in the 20 April submission.

All raw data requested in your 01 December 1993 letter has now been forwarded. If you have additional questions or need more information, please call me at (610) 595-0567 ext. 157.

Sincerely,

A handwritten signature in cursive script, appearing to read "John Kolicius".
