Dear Mr. Kolicius:

Re: Navy's Draft Record of Decisions (ROD)
for OU-1 (Sites 4 & 5) and
OU-2 (Site 19)
Naval Weapons Station Earle
Colts Neck Twp., Monmouth Co.

The New Jersey Department of Environmental Protection (NJDEP) has reviewed the remedies chosen by the Navy for the aforementioned Sites. For Sites 4 and 5 the preferred remedy is Capping, Institutional Controls, and Long-Term Monitoring. For Site 19 the preferred remedy is Excavation and On-Base Disposal. The NJDEP concurs with the Navy's findings and the chosen remedies for these Sites.

If you have any questions, please call me at (609)-633-7237.

Sincerely,

A handwritten signature in cursive script that reads "Bob Marcolina".

Bob Marcolina, Case Manager
Bureau of Federal Case Management
