Dear Mr. Scheckels:

The Borough of Tinton Falls would like to participate in the Navy's Technical Review Committee. Our representative will be Captain William Seufert of the Tinton Falls Police Department. Captain Seufert is a member of our Emergency Management staff and also a member of the Monmouth County Solid Waste Advisory Council. In the event that issues come before the Navy's Technical Review Committee requiring review of our Borough Engineer, Captain Seufert will have the ability to transmit same and seek input from Leon S. Avakian, P.E., who is our Borough Engineer.

We trust that this is satisfactory.

Sincerely,

NICHOLAS R. SMOLNEY
Borough Business Administrator
