Dear Ms. Mollin:

The enclosed "Record of Decision for Operable Unit 3 (OU-3), Site 26" has been signed by the Commanding Officer of Naval Weapons Station Earle, Captain Robert M. Honey, and is enclosed for the signature of the Regional Administrator of the U S Environmental Protection Agency.

This Record of Decision confirms the Navy's commitment to implement air sparging/soil vapor extraction technology to recover solvent from groundwater at Site 26 (located adjacent to Naval Weapons Station Earle Building GB-1), as well as requisite groundwater monitoring

If you require any further information regarding this document, please contact Mr Gregory Goepfert, Environmental Engineer, at (732) 866-2515.

A. L. HERMANNI
Safety Director
By direction of
the Commanding Officer
