Dear Ms. Frank:

SUBJECT: SITE 16F DIESEL FUEL LINE TO BUILDING C-50,
NAVAL WEAPON STATION EARLE, COLTS NECK, NJ
CARBON DISPOSAL

I am writing to request your assistance in transferring the responsibilities of carbon disposal from Tetra Tech Foster Wheeler to Ecor-Solutions. Ecor-Solutions will be taking over the operation and maintenance of the Site 16f Bioslurper System at Naval Weapon Station Earle, Colts Neck, NJ for the Navy. For carbon disposal, please allow Ecor-Solutions to utilize the existing waste profile.

Thank you for your help in coordinating this effort. If you should need assistance or further information, please contact me at (610) 595-0567 ext. 117. My email address is Michele.digeambeardini@navy.mil if this is more convenient for you.

Sincerely,

A handwritten signature in cursive script that reads "Michele Digeambeardino".
