Subject: Addendum to Classification Exception Area Documentation for Site 26  
Explosive "D" Washout Area (OU 3)  
NWS Earle – Colts Neck, New Jersey

Dear Mr. Pagtalunan,

Enclosed are two copies of the Classification Exception Area (CEA) Documentation Addendum for Site 26 which is addressed as Operable Unit (OU) 3 at the Naval Weapons Station (NWS) Earle, Colts Neck, New Jersey. As requested by NJDEP, a compilation of historical groundwater data presented in tabular and figure form is supplied with this correspondence. Information to locate the source documents is provided in the addendum. This data is to supplement the information provided in the Draft CEA Documentation for Site 26 Explosive "D" Washout Area (OU 3) dated October 2005. As requested by the Navy, two copies each are being forwarded under cover letter to Ms. Jessica Mollin at EPA Region 2 and Mr. Gary Lipsius at NJDEP. Additionally, one copy is being forwarded under cover letter to Mr. Eric Helms at NWS Earle.

Thank you for the opportunity to submit this addendum. Should you have any questions or require additional copies please do not hesitate to contact me.

Sincerely,

Mary M. Mang  
Project Manager
