Dear Mr. Sheckels:

Thank you for your invitation to serve as a member of the Technical Review Committee (TRC) for Naval Weapons Station (NWS) Earle. The U.S. Environmental Protection Agency (EPA) feels that TRCs are an excellent means of achieving good communication between all involved parties. I look forward to representing EPA Region II on the TRC, and to working with you on the studies and cleanup at NWS Earle.

Your cooperation in meeting the requirements of the Superfund Amendments and Reauthorization Act (SARA) is appreciated.

Sincerely yours,
